“ *Mr Jim was a very distinguished gentleman whom I have had the pleasure of knowing for a number of years. I always enjoyed talking with him about things going on in Laurel and our Nation which he loved.*

Our family HVAC Business maintained his a/c and heat units for many years and it was always a pleasure for me to go to Mr Jim's home.

Thanks for the wisdom and great conversations, fly high Colonel Bell Heavens gain is certainly our loss.

“ *Colonel it was an honor and privilege to have you as a neighbor, I shall miss seeing you "puttering" about in your garden! We did not always agree on everything, especially when it came to Southern History, but I always respected your opinions! Sincerely John C. Cox, Regular US Army, Vietnam Theatre of Combat 1968! SALUTE!*
