“ Jim, it has been 7 months today since you left this world to be with your Heavenly Father. I hated to see you go but Your Father called your name and needed another Angel in Heaven. My heart aches for you every minute of every hour of every day since you have been gone. Only God knows the heartache that I go through in missing you. You're were the light of my life even tho we only had a short time together. My memories of our togetherness helps to keep me going daily. Your pictures in our frames bring me joy and a lot of Love for you my Love.
