“ *This is dedicated to my Mother, Joann Hill Upton. 3/22/2022
Mother, you are one of many bright spots embedded within my
heart,
You are my loving and caring mother, you have been from the very
start.
There are so many things in life you helped me get through,
I am so glad you were there,
you made it special, I love you.
In life, there are so many things we let pass without a second
glance,
This is one of the times that won't though, I'll be wanting a second
chance.
You are my mother and I am proud you are,
You have always been my bright shining star.
You have never failed to be attentive to everyone's needs,
A great encourager, making sure all around you succeeds.
With my dad you have always been a wonderful loving wife,
You did your utmost to give him a sound and happy life.
You have always been there for me and my brother,
You are the greatest, you're like no other.
I just want to say we love you a lot,
And you will always be our one bright, shining spot.*

*Composed in Honor and Memory of my Mother, Joann Hill Upton.
By her son, Charles D Upton, March 22, 2022.
May she rest in peace.
I love you Mother.*
