“ So sorry to learn of Joanie's passing. It was so much fun being around her and Jim in our "earlier years", and she was such a loving caretaker for Jim in their later years. He left her many "challenges" and I enjoyed helping her through them(although I'm sure she didn't). She was a special lady and a great friend. Paula and I will miss her. My condolences to Theresa and family. Love, Jim and Paula Magee
