“ Chris, Trent, Katelyn & Family,  
I am so sorry to have read of the passing of your mother & grandmother. I always enjoyed chatting w/her whenever our paths crossed. Chris, I still can see you & your Mom waiting outside our classroom door reading the list of names to find out if you were in that class for first grade. You were! That is when I first met your sweet mom. And, Trent & Katelyn, I remember yall too from kindergarten days. I send my condolences to all of you, your Dad, & all the family, & pray for comfort & peace during this sad time. Treasure your wonderful memories!

“ One time when i was probably ten or eleven years old, i was sick and had a high fever, so i stayed home from school. Aunt joan gave me some meds that knocked me out, when i woke up, i thought it was the next morning. I jumped up freaking out thinking i was about to miss the bus, yanked my clothes on and grabbed my backpack and headed for the door. By the way she knew the whole time it was the same day and i wasnt about to miss the bus, but she let me get all the way out the door before she called me back in and was laughing so hard i almost could not understand her telling me i was not about to miss school. Lol and uncle leon and chris i know yall remember going to mcdonalds and ordering hamburgers hold the burger. Haha she wanted them to make it the same way as usual but take the meat off before they sent it out! And cuz, u remember her making us eat rice cakes (cardboard cakes) and walk up hell hill! And her taking us to the dollar movie theater and taking her big ole purse full of snacks and can drinks haha we would be ducking down and she would be laughing popping tops on cans and rattling candy wrappers! And we have seen every episode of star trek ever made lol God knows im gonna miss u aunt joan ! Give grandma childress a hug for me ! I love u so much
