“ Grace: I do appreciate you calling me and letting me know about your mother. She was a very special lady to us all. I know you will miss her.  
I pray that God will be with you and your family, Patti and her family as you work through this. There will be good days and bad days but you will make it. You know that if you need anything I will be there to help you. I am only a phone call away even if you just want to talk. Know that you all are in my prayers for healing and comfort.

“ We have so many precious memories of Joan. She was such a blessing to our lives and we will always remember the wonderful times we shared. We will be praying for all of you as you work through this time of grieving. We will be sharing in that grief because she was more than just a good friend--she was family. I am working on trying to make it for the going home service. I am not sure it will be possible but I do thank you so much Patti for calling to let us know she was gone. It meant so much to us. Please keep in touch because we care about you and Grace.

“ Joan was an exceptional forerunner and pioneer in the Kingdom of G-d. My heart broke/rejoiced when I heard my precious friend and mentor was now seeing her Beloved face to face. I am somewhat jealous to know what she's seeing and doing now. I'm quite sure she's barefoot!

*Wish so very much that I could be there for the service, my heart is with you all.*

“ I have many good memories of Joan coming to Columbus and Waukaway for meetings and fellowship! She was an awesome preacher and loved people! Her relationship with God came first and then her family, natural and spiritual! In the old days at Waukaway she preached right on barefoot on red carpet over loud air conditioners and in spite of circling wasps! She was a trooper and we all loved her! Now she is before the throne where we will all meet again some day!

“ Grace, Thomas, TJ, Patti, Shannon and Kristen (Blue)- Our Mama/Nanny Joan will be greatly missed! We first met at a ladies retreat 9/1990 Waukaway Springs. We bonded like Mother/daughter instantly and she meant the world to me, Schon Cameron and Tally! She loved unconditionally with the everlasting love of her Lord/Savior Jesus...she sure did know how to make HIM famous! She called everyone she ever prayed for precious...thank you for sharing her with me and allowing her to minister the gospel wherever God opened the door...she preached barefoot for she knew wherever the presence of The Lord is-it is Holy ground! I will never forget her and all the wonderful memories we shared...23 yrs is a long time and I am eternally grateful that you shared your Mama with the body of Christ! Love-Cynthia Schon Cameron and Tally Duke

“ Joan was a very dear friend and fellow minister. We started in the ministry about the same time and we saw God do awesome things at churches I have pastored. May the Father of Mercies and the God of All Comfort be everything the family needs during this time. Family and friends, she wants to see us again in heaven. Let's not disappoint her!
