“ It was an honor and a joy to have known Dr. Bisnette during my "early days" in Laurel with the Little Theatre. I have lost contact with many of those in that time, and now they, like Dr. John are leaving. I shall always remember his smile, his intelligence and wonderful sense of rather twisted humor!

“ *Dennis and family, My deepest sympathy to you all on the loss of a most wonderful man. I'll never forget his lively performances in Little Theatre (he was an actor at heart), his love of life and his humanity felt by many around the county. He will be missed greatly, but his memory will always bring joy to me, just as he did everytime we met in town and chatted up a storm! God bless him and your family.*

“ I was so saddned to hear of Doc's passing. He was a very special person to me. If it were not for Cursillo, I probably would have never met him. Many of his stories have proufoundly effected me in my life. I especially like how he used to talk about waht "we" did or what "we" were going to do. "We" meaning Doc and Jesus. I think about this often and always try to remember taht we are always with Jesus. I am sure Doc is with Jesus right now.
