“ I am one of those people who did not get to know Bob long enough. An immeasurably warm and endearing person who embraced humanity in such an inspirational way that I believe God was pleased. I am thankful that I had the God given opportunity to work with him; his character was his greatness!

“ My hearts prayers today are for Bobs loving family. My deepest sympathy for you all. I am thankful to have gotten to know Bob while working at HI. He was a pleasure to be around, he always had a kind, fun, and pleasant nature. Over the years Bob bought a buh-kuh of penny's from me to add to his saving collection. If I knew just how many I'd light a candle each. May GODS uplifting blessing blanket you all.

*John 14:1-4 "Do not let your hearts be troubled. You believe in God; believe also in me. My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. You know the way to the place where I am going."*

“ I have so many fond memories of Bob, such a great guy. I am so sorry to hear of his passing. The last time I saw Bob was at last years Dixie Youth world series. He so loved watching baseball and the kids playing. He always talked about when Wesley played with us on our travel team back years ago and the enjoyment and fun we had with that group of kids. It was an honor and a pleasure to have known him. May god bless your family during this difficult time. May your hearts be healed knowing Bob is with his Lord now.
