“ I am so sorry to hear about your lose . I am praying for you during this time in the days to follow . If I can do anything please feel free to call . If you need to just talk or anything, I am here. Pick up the phone and I will listen. No one ever knows really what to say or what you trully need , only you hold that key. So just know that there are people who are here to lift you up if you need us. Once again I am very sorry to hear this . Thinking of you.
