

Johnny Shane Walters

January 3, 1970 - March 13, 2024

Johnny Shane Walters was born on January 3, 1970, to Jackie and Dolease Walters of Laurel, MS. Shane passed from this life to his Heavenly home on March 13, 2024, at his home at Landmark, in Collins MS. He is Proceeded in death by his Parents Jackie and Dolease Walters, and Mildred Walters Mullins (Grandmother).

Shane loved his West Jones Mustangs Football where he watched as he could and when he couldn't watch them, he would listen to them on the radio. He was also a big New Orleans Saints fan, and he would watch them all the time on his TV. Do not mess with Shane while watching his Football!!!!!!

When Shane was not watching his football, he was always checking on the weather for everyone and letting them all know what tomorrow would bring. His days would start by calling Tinita every morning to get her going and every evening to make sure what TV shows would be on to watch that night. Shane would always keep his second family at Landmark entertaining them as well with eagerness to always try and win at Bingo or try and help give out the menus for today's meal. The family at Landmark was a blessing for all of us because he was loved by them the same as his own family. The names of all at Landmark are too many to list so please KNOW that ALL are a Blessing to us.

Shane is survived by his only Brother Gregory Dean Walters of Lucedale, MS. and a host of cousins. Special Thanks to Frankie (Missy) Walters, Jackie Walters and Connie Welch. Special thanks to Tinita Taylor and her family for being his special Guardian. Shane became a special member of our family for each special occasion.

Services will be Friday March 15, 2024, at 2:00 p.m. at the Centerville Baptist Church. Visitation will start at 1:00 p.m. for family and friends. Interment will be at Centerville Baptist Church Cemetery. Brother Brian Dickens will bring the word for Shane as he and his family were a blessing to Shane. “ Shane would meet you at the door with the menus for that days lunch, if he missed you he would come find you. The biggest smile on his face all the time. Shane loved his TV, his shows and his phone because it had the weather. I would say “ I love you Shane, he would respond I know you do” he was everyone favorite person, he was easy to love and extremely hard to lose. Shane your family at Landmark of Collins loved every moment we had with you, you were sunshine and it rained all day today. What a blessing it has been to apart of your life.

“ Shane would call at least once a week and let me know everything that was going on with his self, football, weather and Landmark. I'm going to miss those calls so bad. His heart was pure gold and I know where he is right now!! We all need to arrive to be like Jesus, but we could all strive to be like Shane at the same time.
