“ Jimmy and family, I was sorry to hear of the passing of Johnny. In my years of working with Tri-State the people who crossed my path were like family, all joined together by that common bond. Johnny was always a class act and a joy to work with. Having recently lost my father, I know your pain, however one of the things that has gotten me through is knowing that he no longer suffers the earthly pain, but is now free and with the Lord, and with my mom. My prayers are with you all this morning.

“ Dear Jimmy & Family, A dear friend and co worker has entered into the Kingdom of God. I will always remember the good times @ Laurel, whether work related or socially. outdoors, golf tournaments . I never passed through Laurel without stopping by the Tri-State store, and spending time with Johnny when he was there. I was so glad 2 years ago to have visited Johnny @ home as I once more passed through Laurel. Johnny was a rare breed of an oilfield knowledgeable person as well as a true southern gentleman. I feel privileged to have know him. Jimmy, you and all your family will be in my prayers, and thoughts . Dick
