I never had the privilege of meeting Jonjon, but I will continue praying for you until.....I lost my only son almost 18 years ago and I understand there is no other pain like it! Please mention his name each and every day, even though it's hard, so that his sweet memories will live forever and your heart will not harden. At first I would just say Brandon loved my tea, and would cry but each time it was easier and people feel comfortable sharing their sweet funny memories with us, which you will find out is PRICELESS! In our prayers daily 📿🙏📿
