“ Thanks Mr. Webb for being my teacher and giving my life direction through the FFA. You gave me an incredible gift that has helped me all through my life. Now that you are with Lord I know that you too can talk about all the good you did for many kids over many years. God Bless.

“ David,I don't know if you remember me, but I do remember you. And I knew your dad. He was a very fine man. When I still lived in the Laurel area, I had some very good visits with him. My parents (Rev. Lester and Grace Gardner) also thought very highly of your father. I know you will miss him. He left behind a great legacy. He was one who didn't just go through life. He impacted everyone he met in a positive way. God be with you and comfort you.
