“ I spent many meetings with Ms. Joyce at our Bumpers managers meetings. She was always kind, witty, and the person that I liked to sit with. I was deeply saddened by her passing. She will be missed. I will keep her family in my thoughts and prayers.

I had the pleasure of seeing joyce every morning, she would stop by my store that I work at and about 3 months ago she bought a gold chain and cross necklace, where she asked me to hook it around her neck. I am deeply saddened by her passing she will be missed she was always kind very smart lady and a hard working lady. Still today she is not far away. I will never forget our most precious conversations, and to say how hard she was working on Saturday she came and got cup lids for bumpers that is why I just couldn't believe the news.

“ I met mama Joyce through Jason many years ago. Back when Jason and I were deep in our addiction. She was always so nice to me and gave us food and a place to stay when we had no where to go. I'm so grateful she got to see us get clean and she has been a huge support system to our ministry. A woman of God that never judged anyone. She will surely be missed!!

“ She was one of the sweetest ladies I had the privilege to know. I know she loved from the depths of her heart. She loved so many unconditionally. My son, Brad Green, love her so much and she loved him. Thank you Mrs Joyce. Prayers go out to each and everyone of you.
