“ I will always treasure my early memories of you. In the last several years, we reconnected and reminsced about my first ride in your Mustang convertible in Mobile, AL and the times that we spent with Papaw before he passed. You told me things that I was too young to remember about how my Dad was your favorite uncle and how my mother helped take care of you in the hospital when you were born so sick. All of those things and more will I take with me in this world without you in it. But, your faith in the good Lord has reunited you with you family in heaven. And, mine will lead me there to spend all of eternity with you and my other loved ones who are gone from this world but still in our hearts! God bless you and keep you until we meet again!

Your Loving Cousin,

Suzanne
