“ *Julane was my Jeopardy viewing buddy. We texted during the show whenever we could exchanging tongue in cheek comments and hassling the host. I'll miss my friend 😭*

"My prayers, condolences, and good thoughts go out to Julie's entire family.

Sweet Julie...

You were the love of my life as I was yours.

Your smile is always with me

Your eyes are all I see

Your voice is always there

When I'm asleep

At night

Your arms are there around me

Your lips are close to mine

I'd love to wake and find you

There by my side

Once again

Rest in Peace, Sweet Lover
