“ I had not seen Kathy in many years, but can still see her silly Freeman smile! I have been told it was a family trafe. Growing up at our family reunions at Mamaw Freeman's house she was always smiling and laughing! That is the Kathy I celebrate!!! Love to you all and we will continue to pray for your/our family. Love ya Reba! For you who do not know me, I am Uncle Donald and Aunt Carolyn Freeman's daughter.

“ Prayers with all of you! Kathy Jo and I were super close friends many years ago! As life goes, with family and change we lost contact! She was very special to me and helped me get through one of the darkest and hardest times of my life! I will be forever grateful for that! I was honestly thinking about her yesterday, I guess The Lord put her on my mind in her final moments! I am so sorry for y'all's loss!!
