“ *So one of the first memories I have of Katie is when we were cooking dinner together one night and she looked at me and ask, "Do you have the trinity?" I had no idea what she was talking about. So I said, "you mean the Father, The Son, and The Holy Spirit?" She started laughing. Katie looked at me and said, " well you need that Trinity for sure, but I'm talking about the onion, celery and bell pepper...girl I'm going to have to teach you how to cook!" We just laughed.....*

Katie you will sure be missed and especially by your grandchildren. You were one of the sweetest and kindest woman I have ever known. Our prayers are with your family.
