“ I remember back during PE at Germantown High School on the football field he used to be able to throw the shot put and hit the crossbar in that old white H style goal post and it would ring like a giant tuning fork. He was a fantastic sprinter for some one of that size. He was also a member of that un scored upon Freshman team.... zero points given up on defense entire season.

“ *The word says what’s in your heart will come from your mouth and one thing for sure Mr.Ken Kennedy loved his family, friends and clients. Ken could make you laugh and cry all in one visit to the bank. I always made sure to wave my hand to him if I were in the bank and there that big sweet Christian smile you would see and if I had to see him for business I would always plan to be there for quiet awhile. The short stories and long life lessons of his life would absolutely keep your attention. One thing that stands out in my mind most is the time he said to me.....you know what I would like to do when I retire go to all the nursing homes and talk to anyone that just needed a friend and listen to their stories. You can learn a lot from an ole timers story. I knew then the heart of Ken Kennedy and one thing I know is he is with the Jesus he would talk to me about. God Bless you Ken and your precious family you loved so very much for now you can talk to the ole timers you referred to and am very sure Moses, Peter and John can tell you some stories. I will miss you Ken especially knowing that you left an impression on my heart about Jesus thank you for all the stories. They will never go unforgotten ( especially the one on how to make a nickel last forever!*

“ *Ken was definitely the life of the party. He always had a funny story for every situation. I never saw him get angry--he was always smooth as silk. I am so very sorry for your loss and I know you will miss him greatly. I pray that the peace of our Lord abides with you until you meet again. Please let us know if we can be of help in any way. God bless*
