“ My heart is so heavy. Kenny was a very close friend to me and my brother and sister. I treasure all the memories we shared growing up. He could make me laugh with his dry sense of humor. Didn't get to see him very often after we all went our way in life but he is counted as one of my best buddies. Rest in peace sweet special friend.

“ Mr. Kenny was one of a kind. He was always the same no matter where he was. I have a lot of wonderful memories with Mr. Kenny, Ms. Joy and Trish! It's just so hard to choose one out of a lifetime of memories. But I would say one of my last great memories was when he came to visit Trish and I was there and he loved on Nelly so much. (the puppy). He came across as such a strong stern man and that little dog brought a side to him that would make the hardest heart melt. I will be praying for you Trish, Dylan, Larry, Mary and the kids. May God wrap his arms around each one of you during this time. Always, Julie Blackwell
