“ My heart goes out to your family. I do not know you nor you me but my grandson Isaiah Rogers knew Cole and he ask about him(today,Sept, 13,2012) and was told what had happen(Isaiah spent his summer in AL and FL) He called he and told me about it and he was clearly hurt.

I can relate to you pain because on October 5,1997 my 18 yr old daughter died in an accident 15 days after her birthday..

I can truly say that it does get easier and thats because of the good memories and faith in God and from what I ready Cole was a good child..

“ To the Lightsey family,
My thoughts & prayers are with all of you. Eventhough, we do not know each other my entire family has been praying for all of you & espically your son. I cannot find adequate words to express how sorry I am for the loss of your precious little boy.

My granddaughter was also involved in the same accident & we have tried to get information on how all of you were doing, however, with all of the privacy laws in place we were unable to do so until the article appeared in today's newspaper.

May God grant you the strength to get through this terrible time....as I know your lives are forever changed. Please know you will remain in our prayers.

“ Cole, I'm going to miss you. You were a great friend and you always knew how to make someone smile, you could light up a room with your laugh. I still remember us running around the playground in kindergarten pretending to be horses. School is never going to be the same, and I love you and I'll miss you. Love Sadie Braddock
