“ *My deepest sympathy on loosing your son, brother and father. Ken was a student of mine at JCJC and over the years became a good friend. I just learned of the arrangements and will be unable to attend the services. When my daughter, Jill, was born, Ken stopped by the hospital and left a small tricycle. He said that since Shelly and I had provided the motor, he would provide the vehicle. This was twenty-nine years ago and I still have the tricycle in storage. He was a great friend and will be missed.*
