“ It was the homecoming game of Ken and Martha's senior year. We had a terrible team but had won the homecoming game. The field house was full of cheers and excitement. My most memorable sight was Kenny jumping up and down saying, "I've got a date with the Queen!"
May God bless and keep you and your family during this time.

“ *Martha, it seems like yesterday when I would see you and Kenny walking off the football field together, you and lot of us others walking our boyfriends to the field house. Yours and Ken's love is one for all times. All of our hearts are breaking for you and for the loss of Ken. May God give you strength, peace and comfort in the days ahead. “ *Martha, Hannah, Dan and Family, my prayers are with all of you during this time. We know Kenny is rejoicing with family in heaven now, but here on earth we somehow must continue on without them. It hurts beyond human understanding. Our hope, our faith is in our Lord.*

I will always remember Kenny as that fun loving man who married sweet Martha.

With much love.

“ *Mr. Watts was a great teacher, mentor and friend. He is responsible for me finding a career that i love in Architecture. He was my teacher at R.H. Watkins for 2 years and let me help him draw houses during my off periods at school. We remained friends long after and he even sent people that wanted houses drawn my way over the years. My prayers and condolences go out to his family.*
