“ After all these years of not knowing how to get in touch we finally got in touch it's bittersweet
I'm glad we got to say
I love you
Wish I could have made it there to see you before you past but you're in a better place now and I hope it's as peaceful as they say
I miss you man and we will catch up again one day but till then you be good or good at it and I'll do the same
To my uncle Kev from Goozer
