“ I'm Sorry I was not there to see you placed in you rest. Though I was there in spirit. I thought of you many times and The dreams I have had of you were happy ones. You were a great man, Kevin. The memories of hugging up to you and rubbing your belly were some of my happiest. You were more than just a man.. You were one of the greatest people I had the pleasure of knowing. Your heart was just too big for this earth. God had to take his Angel home to watch over his crazy friends.. Like Chris and Ted.. and even me. I love you Big Dog. Party Hard! Peace!
