“ I worked with Red when I worked for GMAC. He was one of my favorite dealers. When we would go to lunch, Red would always say the Blessing.  
Such a good guy.

“ Mr. Red,  
Where do I start ? I really hate I didn't get to say my last goodbye to you. I'm really going to cherish the memories I do have. I enjoyed helping you whenever you needed me. If I would miss a week calling or stopping by checking things out you would call or text me and ask me was I still alive and alright. I appreciate all the advice you gave me. If I wanted to run a business, I could cause you taught me all the do's, the don'ts, and the maybe's to be successful. I'm really going to miss you Mr. Red and pray you rest in peace !
