

Larry Dean Jones

January 31, 1948 - September 11, 2015

Larry Dean Jones of Sandersville, MS passed away on September 11, 2015. He was a longtime community resident and was an avid Ham radio operator. Just recently he had won an award for being the first person ever to work all continents on 60 meters. He had many other numerous awards in the ham radio business. Larry was also a member of the Breckenridge Masonic Lodge #309 in Sandersville. He became a master mason in 1987. Larry served as a past President of the Shrine club in Laurel and was a member of the Scottish Rites out of Meridian.

He had a master's degree in geology from University of Southern Mississippi and a master's degree in geology from University of Texas. Larry was a retired engineer with Conoco.

As per his wishes he was cremated and a memorial service will be held at the Breckenridge Masonic Lodge in Sandersville on October 8 at 7:00 o'clock pm. He asked that in lieu of flowers that if you wish, you may give a donation to the Breckenridge Masonic Lodge to help go toward the many community projects that they participate in to help others.

“ Larry and I became friends through ham radio. He was the person that encouraged me to study and get my license. Larry was the kind of man that said what he thought and was a man of his word. RIP old friend.
