“ So sorry to hear this news of Larry's passing. Larry and I go back to the late 1950's early 1960's at Ellisville MS High School that was located on the Jones County Junior College campus. After high school I went on to college and Larry joined the Air Force. We stayed in touch during this period. Later I joined the Navy and we lost touch with each other. I'm very sad to hear this news. He was always a close friend of mine.
