“ I had the great pleasure to work with Larry (And Diane) as their Financial Advisor. Larry was a loving and caring individual. He would also ask about me and my family first, he was very loyal person and always made others know he cared. Larry you will be missed and I will always remember your great qualities.

Diane, lost track of you all. So terribly sorry to find that our sweet Larry had passed. If I weren't so old and infirm I would stop in a do lunch... and likely dinner to keep up with all that had happened over the years. I do pray you and the girls are well and happy. Would love to see you. I've moved quite a bit. Now residing in Texas. I still can't believe it. Do love you. Larry was a sweetheart like a little brother. Sad hugs and much love. “ I had the opportunity to meet Larry in 2000 as we worked together in law enforcement. He was a great co-worker and most of all a friend that I will always remember. His years of law enforcement experience was a great help to me as he would always share the best way to handle situations. May God bless and keep you Diane and family.

Larry was a great Friend and one of the best detectives I ever met in my 35 Years in Law Enforcement. He really cared about his Family, Friends and the people of our great country. I have not had the privilege of seeing him in years, but will miss him. There are few people who make a real impression on your life and Larry was one of them that made a positive impression on mine. He will be missed and I send my prayers that God be with his Family during this time.
