“ I only just now learned of Lee's passing. I so enjoyed his visits to St. Andrew's Episcopal School, where I am a college counselor. His enthusiasm for Wabash College was infectious. Lee was a really good man and I will miss him.

“ Lee Cline taught me. He believed in me when few did. I shall never forget his kindness. He was a democrat and I a republican. We kindly sparred and those are some of my closet memories. He didn't change me into a democrat but he did make me think and evaluate why I believed in the things I did. He worked tirelessly and I appreciate everything he did not only for me, but for others.

“ Mr Cline was a Wellness Center exercise buddy. One of the kindest, gentlest men I've ever met. Always cheerful, happy and made you feel good every morning.
I have missed him in the last few weeks-did not know he was sick.
My deepest sympathies to your family. He was a good man.
