“ Lane, Matthew, Alex, and Christopher Lee was a precious wife and mother. I will always remember her by her sweet smile, kindness, never complaining, etc. She loved you all and life so much. The only comfort you will eventually find is the fact that she is in heaven with God and that she is not suffering. She would have rather stayed with you but only God knows what plan he has for her in Heaven. Please know that I and my family are praying that as you take one day at a time, it will get easier. With much love and sympathy -

“ I met Lee (and Lane) shortly before we started college at USM. Over our years in the Honors College and the Speech Communication department, I was blessed by her warmth and friendship. She was one of the kindest, most genuine people I've ever known. I mourn her passing, pray for her family, and await the day I see her again in Heaven.

“ You are all in my prayers. I can't even come close to know what you are going through. What I do know is Lee's faith is strong and she is loved by everyone that had the pleasure of meeting her. Her smile and love for life spread from person to person. She made a difference in my life and gave me the strength to go outside the box. I will never forget her. She will always have a special place in my heart.
