

Leonard M. "Buddy" Hearn

September 20, 1933 - January 21, 2020

On Tuesday, January 21, 2020 Leonard Malcom "Buddy" Hearn passed from this life to his eternal life with his Lord and Savior, Jesus Christ. His life was an example of the transformative power of the love and forgiveness of the Almighty God. He left a legacy of love to his family and was a witness to all who knew him of what it means to be a child of God and totally dependent on the love of our Heavenly Father. He is now at rest and in the presence of his Savior where we shall all be joined again with him in God's time. His family rises and with one voice and proclaims that we truly have been blessed beyond all measure.

He was preceded in death by his parents, Malcolm Hearn and Bessie Morgan Hearn; and his son, James L. "Sonny" Hearn.

Those left to cherish his memory are his loving wife, Mary Hearn; son, Phillip Hearn; and two daughters, Robin Hunter (Mike) and Sherry Hearn all of Laurel. He is also survived by his sister, Jackie Ishee of Mobile, Alabama; six grandchildren; and ten great grandchildren.

Graveside services will be held at Memorial Gardens Cemetery on Friday, January 24, 2020 at 1:00 p.m. Bro. Howard Houston will officiate.

“ I worked as a helper for Buddy on some jobs when I first started working in the early sixties.
He was at the top of his profession as a Oil Rig Mechanic and I was a young man just starting out. He was a very patient man with me and my lack of knowledge about what we were doing. That’s not to say that he wouldn’t let me know when I made a mistake. He could and would correct you in a way that you fully understood. I knew he meant well and it was all part of the learning process so I did what I knew I had better do and just said “Yes Sir”.

We all lost a mighty good man when he departed this world. He will be missed by all who knew him. He was smart, honest and a hard working man who Loved The Lord. Anyone in the oil field that knew him would tell you “if you wanted something done right he was who you called.”

May Buddy Rest In Peace. My Lord and Savior just got a good man to keep all the machinery in Heaven running smoothly.

I know he is where we all want to be some day,
Jack Wansley 🙏🙏

“ I worked with Buddy on and off my 30 years in the oil field. I remember Buddy coming out on the Tesoro Drilling rig I was working on when he was employed by Wansley Machine to work on mechanical equipment. I remember he was always singing Gospel songs as he worked. Never had a harsh word toward anyone. Great guy.. he will be missed.
