“ Our deepest sympathy to your family. I will always remember growing up in the St. John's Family and how much Mr. Red meant to that Family. It is even more heartfelt that Mr. Red was a TKO. I have lost a brother as well as a friend.

Marge and Sy could never say enough wonderful things about you both over the years. Mary and I saw this compassion and kindness first hand last month, and we feel blessed to know you.

“ Dear Pat, Kim and Family, My Thoughts and Prayers Are With You In Your Loss. I Think About the Times We Were Working On the LHS Reunions and How Gracious You and "Red" Were To Have Us At Your Home..He Carried That Leadership Role Until He Physically Was Exhausted...The Last Time I Talked to Him by Phone, I Assured Him of My Prayers for You Both..He Was "Touched and Appreciative." God Is Gracious and Will Continue to Meet Your Every Need. Trust Him for His Sweet Peace in These Most Difficult Days. Love and Prayers, Charles

“ Pat, I am at a loss of words to express my feelings about Red's passing. Such good friends you both have been to everyone who knows you. Memories from our times at George S Gardiner to getting together after class reunions...I know two things. Red is with God now, and there is a part of Red that is, and always will be, in a lot of our hearts and memories. My thoughts and prayers are so much with you. Warren

“ Pat, Mitch, and Kim, Daddy and I are so sorry for your loss. We have not been close of late due to illness in both our families but you and Red were and always will be a part of our family and we feel his passing deeply. I often looked to Red for help getting along with my father and he always new the right thing to say or example to give so I might understand and I don't know if I ever properly thanked him. In that context I wan't to thank you for being mother's dear friend. I know she cherished you both.
