“ I have never met a woman quite like Lee Barnett. She was gracious yet tough as nails; didn't take no for an answer, yet as loving and compassionate a soul that you could ever encounter. It has been my joy and privilege to work with her and the entire Barnett family. She will be missed and I will smile every time I think of her.

“ Mrs. Leottis was such a very kind soul. She was in the office one day and got a little unnerved about a situation, so much so she thought that she had been unkind to us ladies in the dept. (which was never the case with Mrs. Leottis) She came back the next day with gift cards from Lee's. You know I went straight over to get some of that wonderful chicken salad. ( it's my favorite) I know you all will miss her smiling face. May the peace of our Lord be with you until you meet again.
