“ Memories of Linda other than all the babies she helped raised would be in our high school play that Linda had a lead part in at Shady Grove High School where her talent as an actor was so good she stole the show getting a standing ovation at the end and another performance permitted by school officials which almost never happened in 1965 I remember thinking she is really smart and witty. I consider myself fortunate to have known her a real friend to all her classmates whose quiet laughter will now be heard in heaven where all including her will be free to enjoy— Sue Carol Clark Green
