“ Aunt Linda welcomed me with open arms into her family almost 7 years ago. I felt love from her immediately. Something that anyone that knew her felt. She always had encouraging words to say and a smile on her face. She loved Jesus and was not afraid to talk about Him even to total strangers. She made it look so easy. We are so sad that she is no longer here, but we have peace knowing she is happier than she's ever been at this very moment. I'm so thankful for the impact she had on my life and for the memories we shared.
