“ *I cannot say enough that we were blessed to have Doug in our lives for the short few years that we knew him. I would always give him a bad time about not riding with us enough. After he retired they were able to ride with Chapter L quite a bit more. We enjoyed a wonderful week long trip to Kentucky with Doug and Shulin. He lead the most wonderful rides full of scenery and so much history. He put everything into his rides and you could tell it. He had a heart of Gold and always wanted to make sure everyone was happy. Doug we love you and we will never forget.*
