“ I wish love and prayers to my cousins Gary, Jenny, & Pat and their families during this difficult time. I know you don't have to be told you had a Great Mother and how she loved all of you.
I have so many great memories of my "Aunt Sissy" She was the oldest of the 5 siblings so she was accustomed to being the "Boss". Anytime I wanted to spend the night with her...she would just say "Mackie let her stay"...and that would settle it! My Brother Larry and I both spent many many nights with her and the family and we will always hold those precious memories close to our heart! Sissy...You will be Missed but I have no doubt you are out of pain and now walking on the Streets of Gold with our Precious Savior!

Love....
