“ *Bell was very dear and special to me and I will miss her a terribly. I know I didn't keep in touch with her as much as I should but I loved and thought about her all the time.*
My heart goes out to the whole family and I know very well the sadness you are experiencing right now. Just know that with time it will get better and soon you will just remember all the good times and beautiful memories you have. God bless each of you.
All my love, Pat
