“ *Lonnie, was a person who had dreams and ambitions. He loved everything that he touched. He cried tears, smiled at corny jokes, and loved others. He walked this planet for 34 years. He stood in his truth. One of my favorites quotes is, "Now I lay Lonnie down to sleep" While I'm beside him saying " I pray the Lord, Lonnie's soul, to keep if he should die before he wakes I pray the Lord, his soul, to take. Sleep on Lonnie now you don't have worry about everyday life such as school, work, family and friends. Lonnie, you are now at peace with your spirit. My friend you will be greatly missed.*
