“ *Louise was a close friend of my mother Evelyn many years ago. She was in my mom's wedding. Through the years she wrote every Christmas an update on her interesting life. We stopped by every few years or so on our way to Natchez until our cards began to be returned. We tracked her down a couple of years ago and actually visited with her this Christmas. We were so glad we had that short with her and her devoted Mary Beth. Mom and I rescue cats and are avid animal lovers like Louise. She will always be a special memory in our lives. All creatures are sad today.*

“ *I will miss the most glamorous Aunt in our family. She was very dear to me, Rhonda and Jim. Uncle Champ looked after us after Daddy died and we loved them both so much. She is the last of the Wilson's older generation, but she will never really be older in our hearts. We love you Aunt Louise.*
