“ Lucy was my best friend when I attended William Carey. I enjoyed spending time with her family in Soso. I got a really bad leg burn on her brother’s motorcycle. Even spent a weekend with her and Doug in Starkville at the time she’d just discovered she was expecting. My mom, future husband and I drove from Mobile to Soso to attend hers and Doug’s wedding. Last time we spoke she was working at the pharmacy. I’ll always remember her bubbling personality and the laughter we shared. To the family, I don’t need to tell you that you were blessed. Cherish her wonderful memory.

“ Lucy and I have been friends for 83 years starting as babies playing on a quilt. She was a happy, energetic person who worked hard at any given task. She was a Christian lady and her life proved it. She was my friend and I loved her.
