“ *I loved Ms B.. you all know that... I cannot in my wildest thoughts... think she was 91..impossible.. maybe 79...she was my friend... my buddy... I left message on chat that I was right here if she needed anything.. I loved going camping with her and Mr B... I loved hearing his tales about Squirrels eating the fish bones and such.. I love both so much..I have a picture of them standing in front of my house.. somewhere amongst my pictures.. I will surely miss my friend..*
