“ So sorry for your lost of a mother, daughter, and grandmother! Me and mom , Sheila Reid, hate we missed the funeral . We have known marilyn since I was a young child, and we all lived in south Laurel. I no she had been threw a lot of suffering threw the past years. Now she has been set free of all of that pain. We no that she is in a lot better place than we are. It's just hard for the family and friends to let go and say goodbye, until you meet again. We pray for comfort and peace for your family! God has a plan for each one of us, and it was his plan to call her home and end all her pain. Remember the good times you all had with her and keep her memory alive in your hearts! Take care! “ *I love you all and I loved Marilyn too. We are all feeling the sadness
of losing her to this life. But we should also be reminded this is a
time in which we should celebrate her life. She is with our Lord and
there is no more suffering or sadness for her and she would want us
to be happy for her in that respect. Remember the good times you
had with her while she was with us here on this earth. She would
want us all to remember her before she got sick. We can't dwell on
the negative, but remember the positive. Again I love you all and my
heart and prayers with you.*
