“ When Kristy sent the note around to our classmates informing us Marshall had passed I felt a void. I have not spoken to or seen Marshall since we graduated... he went off to Southern and I to State. I will always remember that contagious smile he displayed and often flashed at me at a time in Laurel when it was not the most popular thing to do.

From the notes I see here, he continued to be a great person for the remaining 40 years of his life that I did not have contact with him. Blessings to his Mother, Wife, Son and Sister.

“ I am so sorry that we have lost Marshall. I know that in our hearts and memories the ones we love are never really gone-they are with us in our memories- of the wonderful times we all have had together and that is so true for Marshall. My thoughts are with you during this sad time.

“ I am so sorry to hear that we have lost Marshall and that I am unable to be there. I have so many fond memories of Marshall. So many summer afternoons on the lake, parties with all of our friends, dances at the country club. Marshall was a loyal, true friend. My deepest sympathies. Your family is in my thoughts and prayers.

“ We were both shocked and saddened to learn of Marshall's passing. While my work schedule won't permit me to attend his funeral, my thoughts will be with all of you during this trying time of grief.

“ My heart and prayers go out to the entire O'Neil family. Marshall was a wonderful man. His kindest and generosity to my family will never be forgotten.
His son James and my son Blake have been best friends since grammar school. Paula and Marshall were his second parents. He was always included in everything just as if he was a member of their family. When Blake lost his Dad, Marshall was always there to give him guidance and encouragement. As he did with all the kids in the neighborhood.
He will always have a place in my heart and certainly will be greatly missed by everyone who knew him. We love you Marshall. The Crider Family
