“ Martha, we shared some fantastic times together over the years. You were always there for me and I will always cherish those times with you!! There was never a dull moment when we were together Sister Dear! I still laugh out loud thinking about the funny and goofy times we have had and the sad ones we shared. I am happy to know that you were saved and where you are spending eternity. Please meet me when I get to heaven because I love you and will always miss you!! You were the best “Sister Dear” a girl could ever have. You had a hard life but now you are free from all of the pain and troubles you ever had. Rest now “Sister Dear” in peace - I will always Love and miss you - until we will meet again one day soon!
