“ Rose Mary & family, I am so very sorry to hear of your mother's passing. she was one of my most favorite people. when my water bill looked too high, Mary would call me and say did you know your water bill is (whatever it was) do you have a leak?? you need to check that! I would tell her no ma'am we filled up the pool. she was always on the lookout for our best interests. so plain spoken and tell you what she thinks! my kind of people. we just don't see people like we used to in the good ole days. again, my heartfelt sympathy. love you!
