“ Carol, I know this is rather late to send our condolences, but it was the only way I could let you know how sorry we were to hear of the passing of your sweet mother. Mama & me have so many wonderful memories of our visits & the times we would see you, your mom & Teresa together in the (as I call it The Clothhouse) buying material for our school dresses & such...our Mothers loved sewing...wonderful memories...we still keep you in thought & prayer for peace & comfort.

Love,

Lessie Clark

“ I've loved Bridget for over 50 years now. I've kept all the special cards that she handmade for me, always impressed by her talent and caring. We had such fun together, she was game for everything! We went to a Draw Down at Immaculate and she and I danced all the fast dances and laughed! I love you Bridget!
