“ As a young girl growing up in Bay Springs i became "Best" friends with Charlene and proud to say we remain friends over the years. We had so many fun times together. On time we went to my Aunt Mae's pond now we was really young at this time we would throw my Barbie doll out in the pond just so we have to go out and get her each time we would throw it out further mind you we was down there all by ourselves snakes and all plus neither one of us could swim!! :) I could go on and on our time, time that I will always hold dearly in my heart. Will miss you my friend. My heart goes out to the family. May God be with all of you

“ So sorry for the family. Charlene was a sweet and caring lady that loved her family very much. I talked with her a few months ago and she was ready to meet her father in heaven if it was his will. She just wanted her family to take care and meet her someday at the pearly gates.
