“*Mary Stringer is my precious sister. Not only my sister but my best friend, my confidant and my soulmate. We were inseparable. I miss her every day and I know that I will be with her again one day. There was never anyone like her. She never met a stranger. She was so kind to everyone unless you did or said anything to hurt me or one of our kids. She would let you know really quick that you don't mess with her family. Sister I know you are sitting in heaven with Jesus and our precious Mother and I really hope they serve you coffee in heaven because that's your favorite. I love you my darling sister and when you left me you took a huge part of me with you. It has been so hard to carry on without you. Keep a place warm for me between you and Mother because I will see you again soon.*”
